SOCCA

Presented prior to the IARS 2014 Annual Meeting and International Science Symposium

27th Annual Meeting and Critical Care Update

May 16, 2014 | Fairmont The Queen Elizabeth Hotel | Montréal, Canada

Plan to attend this meeting if you are a(n)...

- Critical Care Specialists
- Perioperative Physicians
- Clinical and Research Scientists
- Intensivists
- Other Healthcare Professionals Interested in Critical Care Medicine

Online Registration is available at www.SOCCA.org

Welcome Letter

Welcome to the SOCCA 27th Annual Meeting and Critical Care Update in Montréal, Canada! For the first time this year, the Society of Critical Care Anesthesiologists (SOCCA) Annual Meeting will be held in conjunction with the International Anesthesia Research Society (IARS) 2014 Annual Meeting and International Science Symposium. SOCCA registrants will be able to take advantage of even more valuable education sessions, beginning with the SOCCA 27th Annual Meeting on May 16 and continuing with a full day focused on critical care at the IARS 2014 Annual Meeting on May 17.

The Annual Meeting Program Committee, comprised of Dr. Carlee Clark, Dr. Patricia Murphy and Dr. Daryl Kor, has constructed a stimulating program with sessions on the latest updates in the practice of critical care, original research presented by your colleagues in the poster room, and many opportunities for networking including a reception to conclude the meeting.

Sessions Include:

Session I

The SOCCA 27th Annual Meeting will kick off with a session focused on *RV: The Forgotten Ventricle in the ICU*. Topics will include management of acute pulmonary hypertension, the role of right mechanical heart assist and bedside point of care ultrasound assessment.

Session II

Celebrating Science, the second session of the Annual Meeting, will introduce the important publications that are valuable to critical care medicine now while highlighting abstracts presented by your peers.

Session III

Biomedical and Health Informatics in the ICU, will discuss ways to improve healthcare and new methods for achieving this goal.

Session IV

Session IV will evaluate best practices for *Interactive Case Management*.

Critical-Care Focused Day – May 17

The Saturday IARS education program offers a special focus on critical care, including two SOCCA Workshops, a Panel and a Problem-Based Learning Discussion session:

- SOCCA: *Critical Care Ultrasound Workshop*
- SOCCA: *Perioperative ACLS Simulation Workshop*
- SOCCA: *From the ICU to the OR: Critical Illness Intraoperative Decisions in the OR*
- SOCCA: *A Complex Challenge: Spinal Instrumentation Requiring Aggressive Resuscitation Techniques and Multimodal Analgesia*

We are confident that you will find this combined meeting a rewarding experience! Enjoy the beautiful city of Montréal and all it has to offer!

Sincerely,

Brenda G. Fahy, M.D., MCCM
SOCCA President

Faculty and Program Committee

John P. Abenstein, M.S.E.E., M.D.
Associate Professor of Anesthesiology
Mayo Clinic
Rochester, Minnesota

Ruben J. Azocar, M.D.
Associate Professor
Associate Chair, Department of Anesthesiology
Tufts University School of Medicine
Boston, Massachusetts

James Blum, M.D.
Chief, Critical Care and Surgical
Specialty Anesthesia
Emory University Hospital
Assistant Professor
Emory University
Atlanta, Georgia

Daniel R. Brown, M.D., Ph.D., FCCM
Associate Professor of Anesthesiology
Mayo Clinic College of Medicine
Chair, Division of Critical Care Medicine
Mayo Clinic
Rochester, Minnesota

Carlee A. Clark, M.D.
Assistant Professor
Anesthesia and Perioperative Medicine
Medical University of South Carolina
Charleston, South Carolina

Andre A. Denault, M.D.
Anesthesiologist and Critical Care Physician
Montreal Heart Institute
Professor of Anesthesiology
Department of Surgery, Intensive Care Division
Montreal University Health Center
Montreal, Quebec, Canada

Clifford S. Deutschman, M.S., M.D., MCCM
Professor of Anesthesiology and Critical Care
Department of Anesthesiology and Critical Care
Hospital of the University of Pennsylvania
Philadelphia, Pennsylvania

Brenda G. Fahy, M.D., MCCM
Professor of Anesthesiology
Chief, Division of Critical Care Medicine
Medical Director, Shands Hospital Critical
Care-Anesthesiology Services
University of Florida College of Medicine
Gainesville, Florida

Steven Greenberg, M.D.
Director of Critical Care Services,
Evanston Hospital
NorthShore University HealthSystem
Clinical Assistant Professor
Department of Anesthesiology Critical Care
University of Chicago
Pritzker School of Medicine
Chicago, Illinois

Erin K. Hennessey, M.D.
Clinical Instructor of Anesthesia
Critical Care Medicine
Stanford University Medical Center
Palo Alto, California

Daryl J. Kor, M.D.
Assistant Professor of Anesthesiology
Department of Anesthesiology
Mayo Clinic College of Medicine
Rochester, Minnesota

Massimiliano Meineri, M.D.
Director of Perioperative Echocardiography
Peter Munk Cardiac Centre
Toronto General Hospital
Associate Professor
University of Toronto
Toronto, Ontario, Canada

Vivek Moitra, M.D.
Associate Clinical Professor of Anesthesiology
Associate Medical Director
Surgical Intensive Care Unit
Associate Program Director
Critical Care Medicine Fellowship,
Division of Critical Care
Columbia University College of Physicians
New York, New York

Patricia Murphy, M.D.
Associate Professor
Department of Anesthesia and Pain Management
Toronto General Hospital
University of Toronto
Toronto, Ontario, Canada

Michael F. O'Connor, M.D., FCCM
Professor of Anesthesiology and Critical Care
Department of Anesthesia and Critical Care
Chief, Section of Critical Care
The University of Chicago
Chicago, Illinois

Vivek Rao, M.D., Ph.D., FRCPS
Chief, Cardiovascular Surgery
Peter Munk Cardiac Centre
Toronto General Hospital
Toronto, Ontario, Canada

Avery Tung, M.D., FCCM
Professor of Anesthesiology and Critical Care
Quality Chief for Anesthesia
Department of Anesthesia and Critical Care
The University of Chicago
Chicago, Illinois

Liza M. Weavind, M.D.
Associate Professor of Anesthesia
Director, Critical Care Fellowship Program
Vanderbilt University Medical Center
Nashville, Tennessee

Brian Wessman, M.D.
Co-Director
Critical Care Medicine Fellowship
Assistant Professor of Anesthesiology
and Emergency Medicine
Washington University School of Medicine
St. Louis, Missouri

Board of Directors

Continuing Medical Education (CME) Activity Information

Activity Overview

The Society of Critical Care Anesthesiologists 27th Annual Meeting seeks to optimize outcomes for critically ill patients and their families by providing updates and expert discussion on topics of interest to anesthesiologists practicing critical care and perioperative medicine through advancing knowledge, improving competence and enhancing performance of intensive care teams.

Target Audience

The SOCCA 27th Annual Meeting and Critical Care Update is designed for anesthesiologists in the clinical and laboratory setting who desire to improve development of anesthesiology teaching methods by engaging in an interchange of ideas as represented in this meeting.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the International Anesthesia Research Society (IARS) and the Society of Critical Care Anesthesiologists (SOCCA). The IARS is accredited by the ACCME to provide continuing medical education for physicians.

American Medical Association (AMA)

Credit Designation Statement

The International Anesthesia Research Society designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Educational Objectives

As a result of participation in this CME activity, learners should be able to:

- Recognize the current state of emerging knowledge and practice patterns and assess the relevance for their professional practice;
- Incorporate new knowledge from advances in anesthesiology practice into their professional practice areas; and
- Recognize gaps in their knowledge, behavior, and patient outcomes that may result in a need for additional education and training.

Disclosure

The IARS complies with ACCME Essential Areas, Standards and Policies regarding industry support of CME Activities. The IARS has implemented policies and practices with respect to the planning, implementation and presentation of this activity to identify and resolve potential conflicts of interest for all persons in a position to control content.

Session Learner Objectives

What's New in Management of Acute Pulmonary Hypertension in the ICU

- Recognize the different mechanism of acute pulmonary hypertension and its consequence on RV function.
- Develop an approach in the treatment of acute pulmonary hypertension in the ICU.

Role of Right Mechanical Heart Assist

- Recognize the risk factors for RV failure following LVAD implant.
- Review the management of RV failure.
- Evaluate the role of mechanical RV support.

Bedside Point of Care Ultrasound in Assessment of RV Function

- Recognize the pathophysiology of right ventricular failure.
- Recognize the common transthoracic views of the Right Ventricle.
- Integrate a comprehensive bedside Point of care US assessment.

Important Publications You Might Have Missed

- Identify key articles that influence medical care in critically ill patients.
- Describe the population, intervention, control group, and outcome for each study discussed.

Innovative Informatics Approaches to Improve Healthcare Delivery in the ICU

- Identify opportunities for improvement in current clinical workflows and their outcomes.
- Illustrate how to improve situational awareness and decision support with innovative informatics to impact ICU patient outcomes.
- Elucidate barriers to the use of technology to drive patient care.
- Address security concerns in the ICU with medical technology.

Tele-ICU: Optimizing Care Delivery in Under-Resourced ICUs

- Recognize the need for Tele-ICU services in the US.
- Discuss the outcome data related to Tele-ICU utilization.
- Identify what the future of Tele-ICU might look like.

The Future of Clinical Informatics in the ICU

- Recognize the existing and future electronic medical record infrastructure in critical care environments.
- Discuss lost data and the value that may exist in this data.
- Use these data systems to improve quality and conduct research.

Interactive Case Management

- List considerations for induction of anesthesia in unstable patients.
- Discuss current controversies in perioperative fluid management.
- Characterize risks in emergent blood product transfusion.

Program Schedule

Friday, May 16, 2014

- 6:30 a.m. – 5:00 p.m. Registration
- 7:30 – 8:00 a.m. Continental Breakfast – Exhibits Open
- 8:00 – 8:05 a.m. Welcome and Introduction
Carlee Clark, M.D.; Daryl Kor, M.D.
- 8:05 – 8:15 a.m. IARS Leadership Opening Remarks
Denise J. Wedel, M.D. – Board Chair
- Session I - RV: The Forgotten Ventricle in the ICU**
- 8:20 – 8:50 a.m. What's New in Management of Acute Pulmonary Hypertension in the ICU
Andre A. Denault, M.D.
- 8:55 – 9:25 a.m. Role of Right Mechanical Heart Assist
Vivek Rao, M.D., Ph.D., FRCPS
- 9:30 – 10:00 a.m. Bedside Point of Care Ultrasound in Assessment of RV Function
Massimiliano Meineri, M.D.
- 10:00 – 10:15 a.m. Break and Visit with Vendors
- Session II - Celebrating Science**
- 10:20 – 11:10 a.m. Important Publications You Might Have Missed
Vivek Moitra, M.D. – Moderator
Panelists:
Steven B. Greenberg, M.D.
Erin K. Hennessey, M.D.
Brian Wessman, M.D.
- 11:15 – 11:30 a.m. **Young Investigator Award and Abstract Presentation**
"Focused Echocardiography During Glucagon Administration To Diagnose Beta Blocker-induced Cardiomyopathy"
Andrew Young, M.D.
- 11:35 – 11:40 a.m. Introduction of ASA Representative
Aryeh Shander, M.D., FCCM
- 11:45 – 11:55 a.m. ASA Address
John P. Abenstein, M.D. – ASA President-Elect

- 12:00 – 1:00 p.m. Lunch and Burchardi Award
Burchardi Award Recipient
Michael F. Heine, M.D.

Session III – Biomedical and Health Informatics in the ICU

- 1:00 – 1:20 p.m. Innovative Informatics Approaches to Improve Healthcare Delivery in the ICU
Lisa Weavind, M.D.
- 1:25 – 1:45 p.m. Tele-ICU: Optimizing Care Delivery in Under-Resourced ICUs
Ruben Azocar, M.D.
- 1:50 – 2:10 p.m. The Future of Clinical Informatics in the ICU
James Blum, M.D.
- 2:15 – 2:50 p.m. Moderated Poster Session
- 2:15 – 2:50 p.m. Break and Vendor Visits
- 2:55 – 3:25 p.m. **Lifetime Achievement Award Presentation**
"Laws and Axioms to Live By – or – Some Stuff I've Learned Along The Way"
Clifford S. Deutschman, M.S., M.D., MCCM

Session IV – Interactive Case Management

- 3:30 – 3:35 p.m. Introduction
Daniel R. Brown, M.D., Ph.D., FCCM - Moderator
- 3:35 – 4:55 p.m. **Panelists:**
Brenda G. Fahy, M.D., MCCM
Michael F. O'Connor, M.D., FCCM
Avery Tung, M.D., FCCM
- 4:55 – 5:00 pm. Closing Remarks
- 5:00 – 5:45 p.m. SOCCA Annual Business Meeting
- 5:00 – 6:00 p.m. Resident/Fellow Program
- 5:45 – 7:00 p.m. Welcome Reception

Fairmont The Queen Elizabeth

900 Rene Levesque Blvd. West | Montreal, Quebec, Canada
(514) 861-3511 | Toll-free: 1(800) 441-1414

Fairmont The Queen Elizabeth is the host hotel for the SOCCA 27th Annual Meeting and Critical Care Update.

The downtown hotel is located above the train station (via rail & AMTRAK) and connected to the extensive underground city boasting thousands of boutiques, restaurants and cafés, and it is within walking distance of Montréal's sports and cultural attractions.

A limited number of rooms have been secured for our meeting attendees at the special conference group rate of \$215 (CDN plus tax) for single/double occupancy. The cut-off date to make your hotel reservations at this rate is

April 14, 2014. Reservations received after the cut-off date are subject to space and rate availability.

Reservations can be made directly with the hotel at (514) 861-3511 or toll-free: 1 (800) 441-1414. Please be sure to mention the special code to obtain the special conference group rate.

IARS Hotel Conference Group Code:
IARS0514_001

[Make your reservation online to the Fairmont The Queen Elizabeth.](#)

Montréal-Trudeau International Airport (YUL)

Fairmont The Queen Elizabeth hotel is located approximately 20 minutes in downtown, and 14 miles (22km) from the Montréal-Trudeau International Airport. Montreal has many local taxi companies in the area. If coming directly from the airport, there is a taxi service that brings you directly to or from downtown hotels for a flat rate of \$40.

Entry into Canada – Passports and Visa

Every year, thousands of international business people come to Canada to do business with Canadian companies. There are requirements you must meet to be allowed into Canada. Don't forget to ensure you have a valid passport at all times, and in some cases, a visa. American citizens returning home should also be aware that there are new customs requirements in effect.

The Society of Critical Care Anesthesiologists
would like to thank the following exhibitors
of the SOCCA 27th Annual Meeting:

Elsevier

Hospira

Verathon Medical
